

## About Us

Krista and Brian Roland have a passion for adoption and foster care. They adopted their oldest daughter from Ukraine in 2014, and knew that caring for vulnerable children would always be an important part of their lives.

In 2021, they set up The Family Room as a non-profit with a couple goals: provide space for families to spend intentional time together while growing in their faith, and consistently host and encourage local kids in foster care through Christ-centered activities.

# Wrap Around

Volunteers and donations are regularly needed to help us provide meals, groceries, gift cards, and overnight stays to the families and group homes we serve.

Our Amazon Wish List is full of requested items that we give out at each Unplugged.

# Request a Stay

We provide affordable getaways to families with adopted or foster children.

We've designed The Family Room as a place to escape the hustle of everyday life and minimize the distractions of technology. Don't worry, we do have wifi here!

We've found that spending time together is the most important ingredient for building a healthy family. Some of the most fun and meaningful conversations we've had as a family happened on a getaway while we were playing and crafting together. We hope to provide this same opportunity to as many families as we can!

# Unplugged

Arizona Faith and Families, *(an agency that licenses, trains, and supports Foster parents)*, invites the group homes they support to The Family Room for gatherings we call "Unplugged."

Anywhere from 3 - 7 group homes get together for Christ-centered activities that connect and encourage local kids in foster care.

Unplugged takes place one Saturday a month from 1:00 p.m. - 3:00 p.m.

Volunteers are needed to help run the activity stations and meet some really sweet kids.

Choose **Volunteer** at [FamilyRoomAZ.com](http://FamilyRoomAZ.com),

Once you register as a volunteer, you'll receive a monthly Evite with details on the next Unplugged.
